WHY CHOOSE NUVO FOR YOUR HYDRAULIC NEEDS

NUVO's goal is to quickly deliver high-quality, top-performing hydraulic hose, fittings, and accessories to our distribution partners each day. On-hand inventory, availability in a wide variety of fitting configurations, easy to assemble, quick to ship, and experienced customer service support are a few of the things that set NUVO apart from the competition.

NUVO has an extensive inventory in both St. Louis, Missouri and Laval, Canada. This keeps your back orders or stock out situations to a minimum. NUVO's customer service is here to help with technical questions, quotations, or other order management needs. NUVO's full line of fluid power products makes it easy for you to meet free freight and reduce the number of PO's issued.
