

NYLON SLEEVES

BLACK PROTECTIVE NYLON HOSE SLEEVE

NUVO sleeving is designed to provide protection against hydraulic hose failure by containing pressure and fluids that may escape during a hose failure.

With NUVO sleeving both the environment and equipment operators are safeguarded from some of the effects of hose failures.

SPECIFICATIONS

ITEM NO. BLACK	FLAT I.D. (INCH)	ROUND I.D. (INCH)	LENGTH (FEET)
